

Country Code Updates

A representative of the appropriate national association gives an update on their code, point out any issues that come up regularly and - most important - answer all questions that come up in people's daily job. Presentations of the webinars can be downloaded here:

[Germany, August 13, 2019 / Summary of Q&A](#)

There is a country you wish to have such a webinar? Send an e-mail to our [Secretariat](#) and let us know.

You find the date of any next Country Code Update [here](#).

We at IPCAA always strive to support our stakeholders in their

work and with this in mind, we are offering regular Country Code Updates.
