COMPLIANCE

IPCAA | Annual Seminar
on Compliance

Compliance in a Changing World

March 28 & 29 2019, Radisson Blu Hotel, Berlin

Practical Exchange Session (optional)

28 March 2019
09.00 – 12.00

Discussions based on real case scenarios.

- Presented by industry representatives
- Roundtable discussions
- Industry representative shares the actual outcome

Applying the Codes to a Changing World

28 March 2019
13.00 – 16.45

Development since last seminar & what can we expect for the future.

- Analysis and outcome of Transparency Initiative
- The new IFPMA code
- Update from EFPIA

Strengthening Collaborations in a Changing World

29 March 2019
08.45 – 16.00

Medical associations in the digital world.

- IT Compliance / GDPR
- The role of the patient
- The view from the patient and patient organisations
- Outlook into the future
- Artificial Intelligence - what's in it for congresses?

In its 8th edition, the seminar again offers many opportunities to exchange best practice and learn from other stakeholders in roundtable and panel discussions as well as in breakout sessions.

Naturally there also is plenty of time to network during Group Dinner and throughout the days.
